

It is mutually agreed that in consideration of the fee of \$35.00 per loan for one month, my monthly loan payment will be deferred and extended to the end of the original term of this loan. I understand that finance charges will continue to accrue and all other terms and provisions of the original loan agreement are unchanged and remain in full force and effect. I understand this program is subject to approval and is NOT applicable to loans originating within the previous 12 months, accounts not in good standing, or accounts that have been delinquent or modified as a work out within the preceding 12 months.

I also understand this will not stop any ACH transfer I have set up with South Bay Credit Union (or other institution) for the purpose of making my loan payment(s) at South Bay Credit Union. The transfer will still take place from my other institution and the funds will be deposited into my savings account at South Bay Credit Union.

I am limited to skipping my loan payment a maximum of 8 times during the life of my loan. Skip payments cannot occur closer than 90 days apart.

ELECTRONIC FORM SUBMISSIONS

I understand I may submit transaction and account requests using my computer, tablet, phone or credit union supplied computing device. I can initiate transactions and account requests from anywhere. South Bay Credit Union will verify my identity by the information I provide on the forms as well as physical identification verification if I complete my transaction in a branch. I agree to these processes.

I understand South Bay Credit Union may collect certain information when I perform a transaction request. This data includes geographic location, identifying mobile device or tablet information or other data used exclusively to verify that I am the person who is authorizing these electronic requests.

If I am using the call ahead transaction feature, I understand I will be required to provide proof of my identity when I visit a branch to collect the requested transaction. If I am initiating the transaction request in a branch, I will also be required to provide proof of my identity.
